FROM FAMILY HOME TO NEW HOME.

SUPPORT FOR FAMILIES NAVIGATING A MOVE TO SENIOR LIVING.

When a loved one transitions into a retirement or assisted living community, there is often a house full of memories left to sort through. **I help families create a clear, manageable plan for decluttering, downsizing, and preparing the home** for its next chapter — without overwhelm.

WHY FAMILIES REACH OUT

- ✓ Creates a clear plan during an overwhelming transition
- ✓ Provides decision support for sorting years of belongings
- ✓ Helps adult children manage logistics without carrying it alone
- ✓ Coordinates next steps before realtors, estate sale teams, or movers step in
- ✓ Respects sentimental items and emotional pacing
- ✓ Prevents last-minute stress during an already tender time
- ✓ Keeps the process organized and manageable

HOW I SUPPORT YOUR TRANSITION

I help families prepare a home for its next chapter by managing the decluttering, organizing, and transition phase before movers, estate services, or realtors step in.

HOW IT WORKS

(First step for all families)

A 1–2 hour in-home guided walkthrough to assess the home, review timeline considerations, identify priority spaces, and provide a clear written action plan for next steps.

Includes: Customized worksheets, packing guidance, and additional resources.

Optional Hands-On Support

After the Strategy Session, you may continue with in-home, hands-on sessions for guided decluttering, sorting, coordinating donation, packing, or preparing the property for sale or estate transition.
